With flour, beans and high hopes.
\$3.50

There are a thousand chances against
his finding a thing worth white. But
he may, and that is what comforts
him for his hardships, happen upon
a bonanxa and be entitled to end his
days as one of the sudden rich

of the Americans, whereas, if the troops are retained in Mexico, and Carranza repeats his attacks on them, the hollowness of the Democratic alo gan, "He has kept us out of war" will become more than ever apparent. And many Democrats admit, privately, that if they have to abandon that gan, with it will go all hope of electing Mr. Wilson. Carranza has never sanctioned the

conference farce. He has consistently from the first demanded the withdraw-al of the troops from Mexico. When it was urged upon him that it would be easier for Mr. Wilson to give the order as the result of the deliberations in a conference he replied, in effect, "It makes no difference how it is done, But he has beprovided it is done." come impatient and disgusted. He is convinced that the United States is afraid to fight him. Accordingly, he has recalled Arredondo, his ambassaador in Weshir tron to Mexico City, and those "Weshi gion officials who are frame at with the situation are in constant dreal that they will receive an ultimatura.

Europeans Protest.

Carranza and Villa have murdered a wholesale scale Chinamen, Spanjards and Americans, outraged their women and confiscated their proper-ty. So far as known, they have mur-dered only one Englishman, one Benton-and they thought he was an American—and no Germans or Frenchmen, Carranza, however, has gone too far in his confiscatory poilcy, as was to have been expected of a bandit, and serious consequences promise to result. France and Ger-many, charging the United States with responsibility because of Prest-

"Jokers" in the Law.

tisan pen pushers. But how about his temper?

Without Illinois's and New York's electoral vote, Woodrow has a fat chance of succeeding himself, now hasn't he?

But how about the flat about his passed at the long session of Congress just adjourned. A sample of the "jokers" inserted in that law, which, like the Democratic tariff, laid all the burdens on the northern states and added to the advantages of the southern states, is that clause relating to the ample. that clause relating to the employ Today's puzzle—find one lone Republican in West Virginia's political
voods who has so far announced
that he will vote for William E. Chilton for re-election to the United
States Senate.

The Democratic organization has

have a chance to vote in West Virginia November 7.

Governor Hatfield promptly answered every charge made and serry insulting question saked by the mad and confused Democratic gubernatorial candidate. But Cornwell hasn't yet

thousands of cases of these goods, still in the storage houses of the can-

permit the canner in this country to use any of the pulp of the tomatoes to be used in the by-product manufacture of soup-pulp or sauce, or in ketchup, while to complete the stupid blunder the Underwood tariff permits the Italians to save their skins and pulp, make the land of the product of the land of t

some of these days the farmers of this state will find out that when they go into the canning business, as they will in this state, they are confronted by this law—if it is not repealed by a Republican administration. On the eastern shore of Maryland, where forty per cent of the tomatoes canned in this country, are nacked annually, farmers. the foreign goods brought in free.

Cornwell is Guilty.

charges against Individuals, who do not agree with their policies."

When Mr. Cornwell expressed that
